

Follow Your Heart

The heart will always lead
to your chosen path, but first,
first, you must be willing-
to read the map...

For there are many twists and turns
along the way, and sometimes,
just sometimes, it may seem
The heart led astray- away from
our dreams, but stay the course,
know what's true
Follow your heart... for it leads to you

Lynn Long (<https://zolanymph1.blogspot.com/>) is a poet, writer, aspiring novelist, daydreamer and believer in the impossible. She has been published namely in *Antarctica Journal*, *Duane's PoeTree*, *In Between Hangovers*, *Stanzaic Stylings*, *Poetry Poetics Pleasure and Whispers*.

The Pangolin Review; Issue 7, 8 November 2018
